Shams Group Receives 2009 Best of Coppell Award

Best of Coppell Award Honors Their Achievement

COPPELL June 8, 2009 -- Shams Group has been selected for the 2009 Best of Coppell Award in the Custom Computer Software Analysis category.

Each year, The Best of Coppell Award Program recognizes outstanding local businesses that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and community.

Various sources of information were gathered and analyzed to choose the winners in each category. The Best of Coppell Award Program focused on quality, not quantity. Winners are determined based on the information gathered both internally and data provided by third parties.
